“ To the Sims Family, Rhonda and I met just a little over a year ago while seeing the same pain management dr, we clicked right away as she seemingly met no strangers, she had a smile that would let you know you could talk to her, and when I saw that she had passed, it was devastating, I will miss seeing that precious smile.... We all will, may God sustsain her son, and the rest of her family during such a time as this, you have my sincerest condolences. God Bless
