“ I would like to give my deepest condolences to the whole family, So sorry for your loss losing a love one is a very hard thing to deal with but what I would like to do is share something very comforting with you it's a promise from Gods word I believe his word can give us all comfort especially during this time his word also gives us truth about what he going to do for all of mankind soon like rid the world of sickness, suffering, and death will be no more is Revelation gives you that promise at 21:3,4, May this scripture bring comfort to your family you are in our prayers.
