“ *You always have a smiling face every time I come to see you. We always shared jokes and laughed, and you have impacted my life in so many ways - which shaped how I look at life all these years. I always look forward to meeting you every time. Little did I know that the last time I saw you would be the last time together. You embraced your future with a positive attitude, strong faith, and preparedness. Losing you shook and awakened my emotions. May you fly with angels, may your spirit be free from the pain of this world, and may you find comfort in the bosom of our Lord Jesus Christ. Until we meet again - I will always miss you, my brother.*
