“ I remember Larry from high school, towering high in the halls of education and "dunking" the basketball that took us to the Class B State Finals. Always a kind heart. God Bless you and your family! Too young to leave this earth....

“ *Mr Sweeney's cared for everyone equally nobody more nobody less he was a great IEP teacher and he was always there to help u . He never judged and he always encouraged you to always stay on task to achieve the greater things in the future . He always took his shoes off in class and he always used to give the kids trouble that would mean against the wall and tell them to get off his wall . The school was pretty small big big at the same time but when he spoke in his classroom u could hear his voice echo through the whole 3rd floor. I'm gonna miss u Mr sweeney , hope u enjoy food up there and not this school food down here.*

“ *Mr. Sweeney was one of the greatest teachers I ever had. He saw more in everyone than we actually saw in ourselves. He helped you with anything you needed help with and my heart aches having to write this. Sweeney, you will be missed so very much by all of us. I hope you're doing good wherever you are now.*

Prayers for peace and many fond memories for his friends and family. Working with Larry, it was evident that he truly cared about the students he worked with at Project HOPE and I will always remember his hearty laugh!
