“ To the Dobbins family, this is Tonya Brown who grew up with u all on NE 16th . We played all kinds of Real games, four square, hop scotch, rode on the oil machines that went up and down in the ground and then ran when the workers would come . But it was all fun. Haven't seen u guys in forever. May Hod wrap his arms around you and Hold you tight and ease your pain during this difficult time. Love u

“ To the Dobbins Family, most of my memories of Lenard are through High School, Classen, the Comets, traveling with the band,not just to play at Football & Basketball games, march in parades or concert season, but band trips to Lake Murray, Houston, Texas. I believe our Whole group enjoyed those days! The last time I saw Lenard was when Larry Hansard passed and he was ill at that time. Time is letting us know, it waits on no one, live Your lifes, but be yea also ready. So to You all (Dobbins Family) in these times of sorrow, take the Lord with You everywhere You go. Richard our prayers are You and the Family! Reggie Hall
