“ Since the day I found out that you had left us baby cousin I haven't slept, eaten, felt right or anything. I can't even talk about you without tears falling from my eyes because none of us should be writing or saying Rest In Peace to you. You was so young & had so much more life to live. You had baby Violet looking up to you & now she had to grow up without you physically here. I love you baby cousin & I miss you so much more. Sleep In Power Birthday Twllln. I'll light a candle every single day for you baby boy. FLY HIGH WITH THE ANGELS

“ To the Swindall family. I am at a lost for words. There's just no words that can ease your grieving hearts. But one thing I do know is that Little Levar sat in church with Ebony, his sister's & me on several occasions. He told me he liked my Pastor so he stopped to talk to him after one of the services. He seem to be a very intelligent young man who loved his family & he loved The Lord. Our God is gracious & merciful & He said He would never leave us nor forsake us. I pray that God will keep you in His loving care as you celebrate his precious life & in the days ahead. I love you all.
