“ I first met Lynn when she was about 3 or 4 years old and will always remember her as sweet, beautiful and shy. She was always so sweet and kind to me. I'm so sad she is gone and truly heartbroken for her family.

“ My Husband and I saw her about a week ago at Swadley's as she was waiting on her food. Of course she had that beautiful smile as she spoke to us, and ask how we were doing. She will be missed. Sending Prayers to the family.

I was the nurse at Jefferson when Linderal was a student there, she was so quiet and respectful, God has truly picked an angel and a flower for his garden, May God comfort and keep you, give you peace and understanding, Nurse Mims
