“ To Lonnie Summer’s family;

He was like a brother to me, we worked together from the early 80’s until both of our retirements in 2010. We kept in touch often with visiting occasionally, and talking on the phone. Our last conversation was over the phone shortly after his release from the nursing home. He talked about old-times, and what we wanted to do together in the near future.

My Deepest Condolences to Rickie his wife, and to a man who left a wonderful legacy behind. He was larger than life and he lived it to the fullest. Now that he is gone may all the memories be a blessing to you and your children. Please accept my sympathies for your loss.

Best Friends

We shared laughs,, memories,, and inside jokes. He was always honest, and stood by my side no matter what. He wiped away my tears,, he picked me up when I fell, and he will forever hold a place in my heart!

May God be with his Family!

“ *Lonnie, we love you and miss you so much. Words can't describe the heartache our family feels right now. We understand that you are in a better place and resting in God's arms. You were there for my mom and I after we lost my dad. You did everything that you could to help fill the void. I will always miss your smile, and I'll miss you walking over to the house to crack jokes. You've always been like an uncle to me even though you're my cousin. Thank you for everything Lonnie and I will cherish your memory forever. Please keep our family in your prayers.*

To Rickie, you know my heart really hurt for you. I always enjoyed speaking with Lonnie over the phone. He always had a story to tell. It was so evident the love you guys shared with each other. You will always be in my prayers. God really blessed us with men from Arkansas that honored and loved their wives. May God comfort and console you dear heart as only HE can
