“ M'Kayla was a true blessing. I had the pleasure of watching M'Kayla grow up at the Ralph Ellison Library and also work with her as a volunteer. There wasn't a day that she came in without a smile and ready to make people happy. She was a shining star no matter what the day had in store. She will truly be missed. I am in shock by her loss and the whole family is in my thoughts and prayers. I will truly miss her and hope that mom knows what a wonderful person you brought in this world. She was one of a kind and made an impact in her short life. She may be gone from this life, but her memory will live on through her work with the people she touched. I for one will never forget her. I am truly saddened at your loss and the world's loss of such a beautiful soul.
