“ My memory of sis-n-law forever is her smile and her laugh that was filled with joy. When I would ask "how are you doing?" she would reply "can't you tell by my hair!" Lol. She was so funny. I will miss her dearly. My condolences to husband Tim, India, Destiny and the Family. 💕

“ Little did I know my last visit on Wednesday January 15th would be my last. I braided her hair and said "see you on Friday!" She touched her heart as if she was saying "ok!" I had no clue that Friday she would be gone. My heart ached. She had finally found true love and had married Tim just 5 short months earlier. She was so happy with her blended family and I was so happy for them both. I will miss her crazy funny, bubbly, sweet self. May she wear her crown and walk around Heaven all day. Love and miss you Marcia.
