“ Thank you so much for being our team leader and captain. Who would have thought that some 11 year old little boys from the Eastside of OKC who just wanted to play a little bit of football would form a bond like ours? I'm gonna miss you and our chats even after I left Oklahoma City and moved to Phoenix. You always talked about coming to visit here. I only wish you were here to do that. Rhonda be strong, and I'll keep you all lifted up in my thoughts and prayers.

“ *To the family, Marcus was one of a kind. He always kept it real with all of us, he spoke his mind even if you didn't like what he was saying. He cut my hair a few days before he passed away and I know for a fact he was at peace with everything in life. My fellow Libra Knight brother you will be missed. My condolences to his entire family.*

My friend, my son ,my brother ,my barber and my biggest supporter of the Carverdale / Providence/ Douglass Community. An amazing young man who loved everyone and was always willing to share the barbershop talk. Marcus as a T-bird football player was an outstanding student of the game at Quarterback and any position that he was assigned. As a basketball player at Northwest Classen , he took his learnings from Douglass Center and put on a great display of guard play against any and all opponents. His dream was to always be a Trojan and yes We embraced him whole hearted. Son , as he called me Charles my Mentor , I am truly proud of you and Rest in Heaven . God bless
