“ *My Sincere Condolences to The Royal Family. I watched Marcus grow up from a Young Man to Grown Man. My Fodness memories of Marcus was that First he was my friend but he was always looking for a way to make some money, he would come by house asking if there was anything he could do. I made up things just to give him some Money he wouldn't accept handouts but was willing to work. We, my Wife and I will miss you Son you were always part of our Family Rest in Peace. “ Praying for the Royal Family we knew Marcus when he was a young man and worshiped with his family at True Vine Baptist Church. In particular remember a trip to Lompoc California on a long bus ride we got to know him and other young men much better, he was a lively and energetic young man. May the Lord give you comfort and peace.
