“ I have known Marilyn and her family for most of my life. After coming to OGE, I had the pleasure of working with her. She will be missed, but the Bible says, "to be absent from the body, is to be present with the Lord". And Marilyn loved the Lord, so while I am sad that she is no longer with us, I rejoice in knowing that she now rests in His care.

*Marilyn was in our Bible Study for many years, we learned a lot together.
I could talk to her about anything & everything. She had such witty humor & could make me laugh. Sometimes when we saw something happen, we would just have to look at each other & start laughing! She is & always will be missed.*

It is hard for me to think that I won't see Marilyn come back to work. Her passion for her children & grandbabies was so sweet, you could hear her love for them as she would talk about their achievements. I love her to pieces!

My deepest condolences to your family and loved ones.

Marilyn's smile would light up the room when she walked in. You knew within 5 minutes that she loved her God and her family with all of her heart. That same smile lit up heaven when her soul graduated to the heavenly realm. She will be missed by all who knew her. May the grace and comfort that only God can give sustain her family during this time.
