“ I'm so torn; I just learned about your passing. I pray that your family are comforted in Love which is our Lord Jesus. We had a wonderful time working together at Mary Mahoney Health Center; you made me laugh every day, and we definitely enjoyed our two-hour lunch breaks. I'll always remember you Marilyn. Much love and prayers 🙏📖❤️ Jacqueline

“ My condolences to the Gills-Atchison Family for the loss of your precious love one, she was well known as 'Darcel'. She truly loved her family, her daughters, grandchildren & Siblings. Her family was her world, she was a very caring and giving friend.. I last spoke to her on the 6th of May. We hadn't talk in awhile, but we had alot to say, she wasn't feeling her best that day. But, as the strong woman & warrior she was she wasn't ready to give up. I've been so devastated since I got a call the night of the 2nd . I start thinking back when we met in the 7th grade at Moon Junior High School. Many years past in our lives. Right now, I know now she's resting peacefully, Darcel my sissy no more worries, no more pain, you are free now.. Her spirit will always be here to watch over her family and friends. I will continue to keep her family in my daily prayers. God never make a mistake, he only take the best. Darcel, you will truly be missed, but not forgotten.

“ *You always greeted everyone with a smile. But I will personally miss your words of encouragement that followed the smile that you greeted me with. And you always had open arms ready to give hugs and good conversation with an open heart and a listening ear. You will truly be missed. To your family and friends, I am sorry for your loss, and you all are in my prayers.*
