“ I was deeply saddened to hear of the passing of my dear cousin. Please accept my heartfelt condolences during this difficult time.

We shared many meaningful conversations, especially about the book she intended to write. I will always cherish those moments and the wisdom exchanged. It's hard to comprehend such a loss, but I take comfort in knowing that God had even greater plans for Marilyn's journey—plans beyond what we can understand.

May the family find peace in the memories shared, strength in the love of family and friends, and hope in the promises of God.

Marilyn, thanks for the memories, the many cooked meals at the University of Oklahoma. Well, more than many, more like 3-years and counting. Your laughter and wonderful sense of humor always kept me on my toes, and the wisdom, well more like jokes, you shared as you braided my hair on many of nights. Yes, you are one of those who is dearest to me. Rest in Peace and Enjoy the Promises. Love You. You touched my soul and brought joy to my heart. Missing You Already. D.Dean Riley

My love and prayers go out to Marilyn's family. Marilyn was such a dear friend that I attended schools with, from elementary to college. I loved her kind spirit and wonderful sense of humor. I have so many special memories of her. I will miss my dear friend, but look forward to see her again in my future.

Rest in peace, my dear friend.
