“ *Genesis Guess lit a candle in memory of Mr Mario Matthews*

“ I just found this and I've been missing Mario so much! I remember when I first met him it was on the bus and I was on my way to my friends. She told me Mario thought i was pretty. I laughed because I didn't know him. The next week he talked to me and he would everyday. I loved talking to him. He would get on my nerves at times but I always loved him. Like this one time, I got breakfast and Mario sat next to me. I said "Ugh, I forgot my spoon. Can you get me one?". Mario got up and got me one and right in front of me put it in his mouth. He started laughing so I got up to get one. Mario laughed and then ran to the other line to beat me to it. I got one but by the time I went to sit down he had 3 in his hand. It was so funny and sweet. Another time was when we hugged he always made me re-hug him. I either gave him a "side hug" or the hug "wasn't that long". But I loved hugging him. Sometimes I would purposely hug him wrong so he'd say something. After a while he told me he liked me. I didn't give him a chance. Then he started talking to someone. I felt so bad when i told him no. It was so nice and thoughtful because he never stopped trying. I miss him so much. I think that seeing him in the hallways and before school started were the best times of my day. We argued and we laughed. I will always love Mario. I never would've thought that he'd harm himself. But I see that he was being harmed by someone else. I never thought he would because he was the happiest friend I had. I don't like to say Mario's gone. I prefer to say that Mario is even happier now. I can't describe it. I have had so many dreams where I hug Mario, see him, talk to him, and just seeing him in my dreams seems so real. I wish he was here. I'd do anything to see him or even just hear his laugh. I can hear it now but I want to hear it clearly. Or to see him smile would be the best gift. When he would ignore me in the hallway I would beg for him to talk to me. I love Mario so much. I don't say "loved" because he is here with me and his family and friends. Mario Matthews will forever and always have a special place in my heart. This is for Mario because I know he is reading this. "Mario I miss you and I love you. Don't forget that you have other people who love

*you too."*

see that cuz you didn't give me a kiss soo I got mad and grab you to the side and kissed you then Patrick came out was like omg y'all finally did it then you ran to the bus happy and the next day you was like it was lit then I remember when we was siting down talking about stuff and you was eating crackers and you was like close your eyes and I told you if u put a cracker in mouth you getting hit and then I closed my eyes and you put a cracker in my mouth and kissed me for a long time and then you start lauging and ran and then we start walking. To the bus and then I grabbed you and kissed Mario we went from bestfranns to girlfriend and boyfriend to not being able to talk like we used to no more I remember when you chose Anna over me and then I didn't wanna see or talk to you at all then you told me that you wished you didn't choose her and then you told me that you were mad bcuz I choose Steven over you and that you missed us being together as bestfranns soo I tried soo hard to be your best friend again but you were still mad cuz I don't be saying hi to you no more bcuz we was losing our connection after that day on Jan.17 I was like I know this lol boy mad at me I gotta talk to him cuz I miss him and love him then the next day on Jan.18 I found out your gone and that my bestfrann/boyfriend/Ex/brother is gone forever and from that point on I wished you was here soo I can till you how much I'm sorry that I want there when you needed me 🙄👊 and I know I'll never forget you like we always say F&A will be together no matter what..

“ I would like to express my deepest sympathy to the whole family. I like to give the family something comforting from God's word the bible. It's a promise that God has said he is going to do for mankind soon. Revelations 21:4 “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. May God's words bring comfort to you and the whole family. You all are in my prayers.

“ To Mario and Mrs. Charlotte, words cannot express this beautiful loss of life. God's plan is so much greater than ours and we will never understand, other than He needed Him for His purposes beyond our understanding. You both are in my heart and of many.

“ May the Lord Bless this Family . . . I do not know this Family, but the passing and absence of a Child so young is not an easy challenge of endurance. My Wife and I have experienced that loss of a son, 23 years of age. Today Your Family will be mentioned in Prayer. May the Precious Memories of this Young Fellow be a healing factor in your lives in the days to come. Prayerfully, Eld. C.D. Knowles Los Angeles, California
