“ *Mrs. Kita - we didn't talk much but you were always front and center of the left side of the group exercise room. You are and will always remain dear to those who love and encountered you. Your daughter will continue your legacy on and off the court...even though I've never met her - I see she definitely follows her mama. May your young king also continue to live the legacy. May your loving husband be blessed as he grieves and heals from the loss of such a loving beautiful woman.*

“ *Markita was one of the most genuine and kindest persons I have known in my life. Her smile was real and her spirit was jovial. From Southeast until now she kept her smile. From her facebook post and replies I knew she knew and loved The Lord. "I thank you Father for such a true and bright soul. Let you peace be upon the Edwards family and may you receive the Glory out of this!"*

In our weakest times God's strength is ours to trust. In our saddest times His compassion is ours to heal. In all times His love is ours to share. We met in Zumba class at the YMCA Midwest City. I did not know you very well, but you had a kind spirit and an uplifting smile. Rita King

God does not make his people immune to the changes of human life, but gives us grace to see things through to a satisfactory conclusion. Throughout it all God stays the same and He controls human events in such a way that those who trust in him will find the comfort and the courage to endure.

Our children attended the same high school (NEA) we worked together in the concession stand: such an AWESOME person to be around: always saw he smiling and being helpful. To the family the West family will continue to lift your name up in prayer.
