“ *Granny lived approximately four more years after she bid me farewell, and stated that she would see me in glory. Thank you Jesus for allowing me the honorable privilege of seeing her again and spending time with her approximately a year before her passing. May the Comforter continue to comfort our hearts as we gracefully remember and let go for just a season until we meet again in glory! L*

“ Mother Watson was the epitome of what a true Christian woman looked like. She not only talked the talk, but she walked the walk. I am honored and grateful to have had the opportunity to grow up in her presence. Thank you to her family for sharing your phenomenal mother with us. She BLESSED ME and so many others in more ways than can be imagined. I will always remember her beautiful smile, her words of encouragement and wisdom, her undying love for others and her commitment to praising the Lord. Well done thy good and faithful servant. Rest in Paradise Mother Watson. I love  you.

“ I grew up at True Vine and mother Watson kept me as a child and was always representative of what Christianity was supposed to look like. I am so thankful to God for allowing me to grow as a Christian and a young man under her example.... Rest well mother! Love you eternally!

“ Please accept my heartfelt condolences on the loss of your beloved matriarch, Mrs. Mary Lou Watson. I always respected her for the love shown towards me. We trust in God’s promise that “Blessed are those who mourn, for they shall be comforted.” Her life was a testament to faith, love, and devotion to family. May the Lord wrap His arms around you, grant you peace that surpasses all understanding, and give you strength during this time of sorrow. Her legacy lives on through each of you, and her soul now rests in God’s eternal care.

“ Family, I hardly know what to say. I have not kept in contact with you as I should but I love and miss you all. I talked with your mother a while back and it brought back so many wonderful memories of how we all attended church out at Douglas Baptist Church. Although that communication has not happened except for the fellowship I have with Mae, once a year you all are still in my heart. My love and sympathy go out to you. I know how it is to lose a mother and my prayers are definitely with you.
