“ My name is Betty (Conner) Russell. I had the privilege of working with Mrs Mel at Tinker AFB. We shared many precious memories and delectable recipes. I remember her undeniable and totally unforgettable very kind, soft voice and sweet Spirit. She definitely left me with many memories to reminisce about in our times we shared. I pray that the Lord will be a great consolation and comfort to you and your family in the days to come. God's Word reassures us that He will never leave us comfortless. I pray that you will determine that you lean on and into Him as your Divine Strength and the Lifter of you heads. He will never ever leave you alone. Be encouraged! 🙏💕
