*“ I am saddened to hear of the loss of this kind woman. A woman who offered words of encouragement to me after the loss of my spouse, who purchased my first, and second books. She spoke very highly of them. I appreciate her so much. I visited her at work on several occasions and talked. I didn't know until late that she had passed and I am so very sorry. May God grant you each the peace you need to survive and may you too, seek the face of the Lord God Yahweh as your personal Savior if you do not know Him in the pardon of your sins. Stay encouraged, please as I offer blessings and love always.

“ To the LaCue Family,

While I only knew her for a short time, I could tell that she impacted those that crossed her path with words of wisdom and encouragement. She only knew to look on the positive side of all things and to the good in all people. It is now time for her to uplift the Angels. You have truly been BLESSED and a BLESSING to many.

My dear DeDe, she really made a difference in our community (Parker Heights) and the surrounding areas. I'll always remember her name for my father, Daddy Mitchell. This lady will be missed, but forever in our hearts. I pray for peace and comfort for the entire family...OneLove
