“ I am so sad that I did not know of Mertella’s passing. I had tried for several years to find out how to get in touch with her after losing contact with her when she moved.  
She was a person that I loved dearly and someone that I knew for my entire life. We loved getting invited to ‘her church’ when they had their sings and loved attending and hearing the amazing music.  
Today I made her peanut butter cookie recipe and thought of how happy it would make my husband and daughters when a package of them showed up in the mail.  
She always had a smile and so much love to give. My condolences to all of her family.

“ I remember watching Sis. Moon singing in the choir when we arrived at 5th Street. She was a hoot during choir rehearsal. What a blessing to have longevity with a caring family who took great care of her. Prayers and Blessings to the family.
