“ To Mr Caldwell I thank my God for putting you in my life. You were able to show me so much. Las Vegas twice, the Jazz festival and the holidays with your Grandma was pure gold. We enjoyed the Thunder games and many out to eat. We laughed so hard about the lows and highs times. I am so pleased that you know the Lord and you're enjoying his time. Mr Caldwell is kicking with the Lord. Much Love Mr Caldwell from friend Gina

“ Wow, Big Mike, I didn't see this coming! We had prayed for a miracle, but God in His infinite wisdom, mercy and grace, gave you many small miracles. You even celebrated a birthday before you left us. Thank you for accepting the job of being a Greeter last yr at the Alumni Cookout. You were so happy and so were we. And, since I was your cheerleader back in the day, I can say that you've got the victory because you ran a touchdown, hit the winning basket and made a homerun all at the same time. Don't ever forget how much we love you, Mike. Until we see you again...Spartans Forever. 🤝💙☐

“ Mike I miss you already; my heart is broken. our families met in the 60's when my parents were stationed at Tinker and you quickly became my brother, my, friend, and my personal comedian. When I flew back to see you a few weeks ago ; you still performed for me, and had me laughing and crying at the same time. I was truly blessed to call you my brother Bigi Mike. Your storm is over, and your resting peacefully in God's hands. Love ya Elaine Bailey Charlotte, Nc
