“ Michael I miss you so much. I am so lost and hurt. This feels like a dream. You should still be here. I love you so much big brother. Things aren't the same. I need to hear your voice. You was my protector and I am so heart broken. You was the best big brother even though I didn't listen. I want you back man. This hurts so bad. Momma is hurt to. You're with our grandparents and uncle Charles. Please stay by my side please. Love you always You're baby sister Akitha❤️❤️
