“ Mike Pickett took on the tall order of coaching the "Girlfriends" a softball team that mainly played on Tinker Air Force Base OK where we all met and worked. We used the phrase "You Go Girl" in the huddle. He was the best coach we had but he quit because we did not listen to him. In the 90s we women thought we had it going on!! Best time of my life. I love the family and Mike will truly be missed.
