“ *My memory of Mike Cole, me and Mike went back a long way. But the most memorable one was when me and my sister we're at a concert. It was Lyfe Jennings, and Johnny Gill. Me and my sister was in the nosebleed section and here comes Mike walking up there. He was like what are yal doing way back here, he said come on we in V.I.P. and yal are coming with us. We went from V.I.P to the stage and had the vest time ever I got Johnny Gills towel that night. Live you man, and miss you 4 ever.*

“ In memory of a LEGEND, your legacy will live on. Not only were you a great Uncle, you are and will forever be a great protector. I have so many great memories with you and of you. Words can't explain both the pain and joy that I feel. You fought a great fight and won the race. You will forever be one of Gods Angels. Until we meet again. You will forever be missed. I love you.
