Good morning to the Crossover/Cheadle family I know that I am absent, etc I still give my deepest love, condolences, sympathy out to each, everyone of you, y'all cross my mind each, every single day I enjoyed spending time with y'all at the family gatherings, especially beating y'all in bones, sitting around laughing, talking, having fun especially with my stepfather Paul Cheadle who I have known my whole life every since I was in the kindergarten he helped my mom/mother with me he promised my momma that he'll always look after me, be there for me if something ever happened to her which it did she passed of diabetic coma in September 9, 2003 he kept his word then I ended up meeting Stewart Crossover aka Stew through my old old friend/buddy Calvin who I have known every since GJCC when we both was in Culinary Arts 1&2, I graduated, got my Certificate other than that I ended up meeting his, uncle in-law Stew in March 15, 2015 we had our ups, down but he was a good man other than being jealous, etc we did remain friends after our relationship ended June 2020
