“ *What a supportive parent she was to her wonderful son, Cornelius, other students, and teachers at Northeast Academy. She aided the Northeast family by coming regularly to assist with community service projects and encourage students to be good citizens. Our prayers are with Cornelius and family.*

“ *MeMe you will be missed. The last time I saw you, you were at my job enjoying a concert. You were always the life of the party. Always smiling and dancing! I love you forever. May you rest in God's arms. My prayers are with your children and entire family.*
