“ Remembering Mother Millicent as a true friend, one that listened to your concerns and gave godly advice. I especially remember her stepping in to help me with my wedding in 1966. I was making the brides maids dresses. I was not going to meet the deadline. Mother Golden stepped up and made all 6 of their head pieces. I will never forget her love, compassion & kindness. “ The basis for my foundation early in life. She may have used unorthodox teaching methods from time to time, but she also dished out life lessons that I still carry with me today. I walk tall because of Mother Golden. I knew that I was "somebody," because she instilled that mentality at a young age. I always put my best foot forward in school, because she wouldn't accept any less! You've lived a full life and you've left a legacy behind. You can now rest peacefully with your Maker.

If you felt you were at the bottom of the list, what she gave you would propel you forward or too the top Her handwriting was Eloquent and Smooth. She didnt just write like it was in a hurry but with grace. Mother take your rest and With the Lord's help we will see you on the other side in Glory. “ *I would like to express my deepest sympathy to the whole family. I like to give the family something comforting from God's word the bible. It's a promise that God has said he is going to do for mankind soon. Revelations 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. May this bring comfort to you and the whole family. You all are in my prayers.*

Mother Golden truly was golden in so many ways. I loved her dearly, and I know she loved me. I will cherish the memories and times we spent together. One thing I know without a doubt is that she loved the Lord, so we know she's busy greeting everyone she knew and loved. She will truly be missed by all. God Bless.

“ To Shirley and Trae Slaughter --love you guys. I've got a lot of humorous stories for you guys about Aunt Millie. Last month she told me she's trying to make a 100 because ninety nine and a half won't do--so I guess we will have to accept 98.

“ To Sister Shirley Price Yokley and all the Members of Mother Golden's Family. Mother Golden was a Woman of Character, and a true representative of what she taught and lived. She shared so many wonderful things with all us, for which we are grateful.

She stood out as a Woman with an unequaled knowledge of the Church of God in Christ in the State of Oklahoma, and was no novice concerning the historical events of our General Church.

Mother Golden was such a unique Woman, that the phrase that became a part of her persona, "The Golden Touch," was correct, as well as appropriate.

She shared her knowledge and talents beyond the borders of Oklahoma, not only with me, but with multiple recipients throughout the Church.

Humorously, I cannot forget or think of anyone who "Walked" as much as Mother Golden, and if the song has any truth about "Walking Around Heaven All Day," then proverbly speaking, Mother Golden is truly leading the march!

Well, "We Will Not Forget The Golden Touch"!

Friend and brother in Christ,

“ Shirley, my long-time friend, confidant, and co-worker. I know that your love one is resting in Heaven and has been granted eternal peace. My only regret is that I wasn't there to hold you and be that shoulder for you to lean on.

Please know that should you need to find a quiet space to reflect, on such a wonderful life spent doing God's work, all you have to do is call. Your Texas family is here and will grant you time and space.

We Love you now and always will.

“ The manifestation of one's beauty is many times expressed in the children they raise, nurture and support. I can only speak to the loving spirit presented to the world in her dear daughter Shirley and the thousands of others that she touched. Please know Mother Golden that you were loved, valued and appreciated. Job well done!

“ In the very short time that I was blessed to know Mother Golden, it was very evident that she loved God and her family (both by blood and church) deeply. She was an elegant and gracious woman. I feel honored to have met and cared for her.
