“ Easter, was very sadden 2 hear about my closest childhood Friend King from Robert (Tucker) who lived a few House(s) from your Family on N.E. 16th. Unfortunately, I didn\\t get the word until after His burial. Ironic, me and my siblings were together 4 X-mas and was talking about neighborhood friend(s) we haven\\t seen N a while and Kings name came up. Our entire Families member(s) knew each other and me and King were inseparable growing up. After returning Home from the Military (1985), I would C U and ask about King and actually saw Him a few times but our paths haven\\t crossed N over 20 Years however, He NEVER totally left My thoughts and I am truly sorry that I didn\\t get the news in time 2 attend His home going but, hopefully it will comfort U 2 know that Me and my Family and ALL of His neighborhood Friends will keep Him N our Hearts and Prayers. Please don\\t hesitate 2 call on me if needed.
