“ *In memory of a beautiful, beloved, caring soul. Submitting this tribute is difficult, not because of who you are but because you're gone forever. The lack of your presence will be missed immensely and has left a gaping hole in my life. I want to thank you for the relationship that grew throughout our many many years. Everyone will miss your wonderful voice, joyous laughter and contagious smile that brightened every room. I am so proud of the many things you accomplished and the person you were to me. You're now a Guardian Angel. You'll always be in my thoughts and forever in my heart. Our connection will never be forgotten. Rest In Peace Love. Diana*

“ Terry was a long time friend. I will always remember the times we had, fun times, bad times, and good times. Terry you will always hold a special place in my heart. The last time I saw you at OnCue we laughed and talked about old times. To the family, his wife, moma Liz, Pat, and Wee Wee, I am praying for you. Know that God has gained another Angel. He will no longer be sick, suffer, or be in pain. He is now flying high with so many family and friends. God has his arms around each of you, he will comfort you, and get you through this difficult time. I Love each of you.
