*To Gus 'Junior' Tracy, and the Walton Family. Our prayers and condolences go out to you, your family and friends. Punkin was special to Donna and I. Whenever we would visit Oklahoma City our trip there wouldn't be complete without visiting or going out to dinner with Junior and Punkin. When I was a teenager visiting OKC, I would watch you and Punkin and admired the love you showed toward each other. One thing we can say is that Punkin was real, fun to be around and we're going to miss her.*

*OKC will not be the same without her. Junior, we pray that God Blesses you and gives you the strength to endure.*

*Although we're in California, please know that Donna and I love you and will always be here for you.*

*Much Love,  
Donna and Leonard Lothlen*
