“ *One amazing magnificent light  
One Grandfather so blessed to have known  
One steadfast dedicated servant  
One heart of gold that was shown  
One great big heart of love given to us from  
God above  
One chosen to wait until we are there  
leading the way lighting the flare  
One not saying goodbye only that it is well  
Waiting for us above for only time will tell*

*During your life, you loved to dance. I pray you'll dance like David danced before the Lord throughout eternity. I love you. See ya later.
