“ Did I forget the Obama bobble head which you got autographed! You were always in our corner. When you had the ability to do good you certainly did. Thank you for all you and Aunt Pat did.

“ Uncle Nate, I remember you going back to school to take care of your family but I'm saying Thank you as a niece. I have many good fond memories. Right now I'm thinking of you taking me to the old Amoco building and allowing me to see it from an engineers view. Thank you for everything...even allowing me to pick out Angie's home going clothes. The last time I saw you, you looked good, prosperous / happy. I know you're with our Heavenly Father.
