“ Heartbreaking news to learn of the loss of my little cousin. So thankful that Facebook helped us to meet. We were supposed to meet face to face this month. I had no idea that you were already gone home. I would have come to the service if I had known. Love and condolences to the family. Angelique Taylor, eldest child of your Uncle Jerry in Texas.

“ And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away. Revelation:21:4

Condolences to the family in this great loss. I came to know Nene through my son Brandon. I have many fond memories of our gathering and her being apart of our family. She's resting now and we must all embrace her son, Khalil with love as she would.

I am thankful for the time I spent with her. We should love like we won't get the chance tomorrow. She's at rest now, no more pain, just peace. GOD BLESS our family, give us strength. Amen
