“ Ms. Nina had a beautiful soul. I thank God for allowing me the opportunity to know such a happy spirit. May the Lord's spirit and strength rest, rule and abide in all your lives. She has ran the race and finished the course, and we all are better people due to her dignity in suffering. Rest In Peace Sister Nina!!!
Your sister and friend in Christ,

“ In reality I have only known Nina for a short time, but the connection we shared was instant and I felt I have known her my whole life. She is a beautiful soul, whom I have grown to love. We have laughed, cried, and shared stories that I will forever treasure. Thank you Nina for being my friend. Fly high my sweet friend and this is a temporary bye until I see you again one day.

Kelli we have grown to know you through our mother and are so grateful for all the support you showed during this time. We could not have done some of her personal responsibilities without your help. You are truly an angel.
