“ *Tina loved her family & enjoyed going to visit them whenever she could. In her younger days I remember thinking my cousin was a "movie star." She took glamour shots before it became a business. Recently we talked often about God, His word & heaven, so we know where she is. Now Tina can rest from her labor, she is in the presence of Almighty God. What better place is there to be? I'm grateful I had the pleasure of really getting to know her.*
