“ I did not wait too tell her how much the Wilkins family loved her and appreciated how much she did for our family. We could always count on her and her husband to be kind and show love without prejudice we had and shared so many good times together. Last summer I picked her up and off to Boley Oklahoma we went, laughing all the way. We were saying no one knows we are coming we were just giggling. I took her too see her brother and sisters they were so surprised and they thanked me dearly. No thanks needed I enjoyed doing it just too see her smile was more than enough. Then we ventured off the the family grounds as she would call it. Out in the woods me and Norma walking around looking at the flowers that were alive are dead we couldnt tell she said I need to get out here and replant them. I said oh lets just leave them and see what they do. I knew she was leaving this earth the last time I saw and spoke to her. I told her how much we Loved her and thanks for all that she did. Our hearts are truly broken and she will truly be missed. I never wait to tell people I love them for tomorrow is not promised.

“ You will truly be missed and as my favorite sister-in-law I will always remember the talks we had, sitting around watching the younger kids always laughing about Big Foot! You truly loved your family and the doors to your house was ALWAYS open.
