“ My heart is completely shattered knowing my long time friend has left us. I remember when I first met Otis, it was at Roosevelt Elementary School....Wow! Otis crashed our games we were playing and made me laugh my head off! You see, he was always acting out! He lived near my mother's friend and I use to see him all the time! As we grew up, we all starting hanging out together, he always kept us laughing at his antics! I will continue to hold those great memories close to my heart my dear friend...RIH
