“ My Condolences to the 'Cox Family' for the loss of their love one (Pam). I met her when we were attending (Moon Junior High School), I had her back then, she was a beautiful young lady and sweet person, so many were jealous of herI also remember her at Douglass High School. I remember her and her brother 'Cedric' from the neighborhood. I hadn't seen her in many years. God will continue to bless her family through this difficult time.I will keep them in my prayers. She will be missed. 'I viewed her yesterday and she looked so beautiful and rested. R.I.H. my friend.

“ Good evening to Brother Anttwain, Brandon and the extended family.

I am saddened that my beloved Sister has gone on home ahead of me to be with The Lord.

You and the entire family have my deepest condolences and sincerest sympathy.

I have known Sister Pam practically all of my life having gone to Elementary School with her and then Graduating with her from Frederick Douglass High School.

Sister Pam was always friendly and kind hearted. Even though I didn't see her as often as some, she will be missed just knowing she is no long here with us.

*“Blessed are those that mourn for they shall be comforted.”
