Our mother was a kind and compassionate person who always put others before herself. She was the first person you wanted to talk to when you had good news and the one you could turn to when you needed a shoulder to cry on.

She took her nursing and educator skills to the community and formed a bond throughout whatever neighborhood she lived in striving to make it and its residents safe and cheerful. Her home and heart was open to all.

Thanks to Brian Stone, Pastor Jonathan Hill, Diettra Edwards, Caylee Dodson, Josh Dodson, Sara, Willie, and all of her extended Family. We appreciate your love and support.
