*My Deepest Sympathy to the family of Ms. Love. She was truly a sweet and wonderful person. I will cherish the memory of her at Cynthia's home one Thanksgiving. My prayers are with the Love family as they navigate through their days of handling the loss of their loved one. May you continue to trust in the Lord, may he will keep you during your midnights. May he grant his Mercy and Peace on each of you and wrap you in his arms for many years to come. Take comfort in knowing that her candle has not been extinguished, it is burning bright in Heaven, and she is free from pain and worry. God Bless you as you walk this journey.*

“ *My deepest condolences to you Sylvia, and the rest of family. Saddened to hear of Pat's passing. I'm glad she was still working @ LU when I started there & I was always happy when I saw her coming to Page Hall. We would visit out on the porch. She was such a sweet lady. May she Rest In Peace. God Bless you all.*

“ I worked with Pat in the Business Office at Langston University. Those were wonderful times. Pat was such a BEAUTIFUL JEWEL. She is a member of a Social Club called the \*LaTraivita Club of Guthrie, which her and my mother were members. I have known Pat for years, while working with her I visited at her home all of the time, I got to know Brother, Sylvia, Pookie, Michael and Reggie. My deepest condolences and Sympathy. May God comfort you all during this time. God Bless you, Love you.

“ Ms. Love is by far one of the sweetest people I have ever served. She never complained one time during the time I spent as her nurse. Her last name says it all as she exuded love, even in her quietness. As I got to know her daughter, Sylvia, I learned awesome things about Ms. Pat that have helped me to hang on to faith. I am grateful for the opportunity to have served her. May she rest in heavenly peace.

“ Mike,

*My condolences to you during this time of bereavement. I had no idea that Pat is your mom. I remember her smile and always being helpful to those bustling incoming students at Langston (in which I was one). She was the face of the Business Office during my time. My thoughts and prayers are with you and your family.*

“ Pat, words cannot express what you meant to me. You were the one who kept going and encouraging. I remember you working at Langston University and working with the credit union. I will never forget when I drove you and Soror Prewitt to the Social meeting in Enid and Sierra went with us and we were eating at Red Lobster and Sierra wanted an adult plate and not a child plate. So many times we would go to Sorority meeting together and it was a pleasure for me to drive you. You will be missed so much. It's bitter sweet, but now you are at rest. RIH dear Soror Pat Love. Say hello to my daddy for me. I'm sure he was right there when you got to the gates. I will never forget you. I will continue to pray for the family during this time. Love you all.
