“ I remember the miracle that came to be. My beautiful cousin. Born against all odds, she was not to be denied. She was an independent spirit, with a smile big enough for everyone lol! Her hugs were genuine and she always had an encouraging word for me. I am proud to call her my cousin and look forward to that day when death and the grave are swallowed up in victory. We shall meet again and live eternally. To Sue, you know I love you. Know that I am lifting us all up in prayer today and always. Love Lori
