“ *I would like to extend my deep and heartfelt sympathy to the whole family during these difficult times. May the family accept something comforting found in Jehovah God's word the Bible at Isaiah 25:8 "He will swallow up death forever, And the Sovereign Lord Jehovah will wipe away the tears from all faces. The reproach of his people he will take away from all the earth, For Jehovah himself has spoken it." May this give the family the strength they need to endure the pain you're feeling. You all are in my prayers.*

“ *Patrick was my mother's (Joy Mascall- Wharton) cousin. The first time I met him was in the middle of my wedding planning and organizing in 2008. I will never forget what he had done for me. His passing came as shock to me, as like everyone else. His profound hearty laugh continue to replay in my heart.*

*“ I would just like to say there are few people in the world that have as great an outlook on life as Patrick did. He truly made the world a better place just by being himself. He set the bar high with that great attitude! All that came to know him will really miss him.

*“ To the family of Patrick Mascall, may your sorrows be comforted with my heart felt sympathy of losing an amazing man who brought so much life and sunshine to all those he encountered. Patrick embraced his AAR family with an internal compassion that all who met him experienced. He was a true and honest man who looked at life with such positivity, never did he look at the negative in a situation though how he could change it for the better. Patrick was very proud of his Trinidad heritage and the love he had for his family was always spoken with such enthusiasm, he would look forward to his trips back to Trinidad and the time he had with his father recently. Patrick you will be missed more than words can express and the way you lit up a room each time you were here. Thank you for being the man you were and the impact you made on each of our hearts!!

My heart saddens with you gone, but I take comfort in knowing you are watching over us. To the family, Patrick brought many smiles to us at AAR as I am sure he did with everyone he met. His kindness and laughter will not be forgotten. God Speed.

Worked with Patrick many years ago in the airlines. I found this memorial while performing an online search for him. I will miss him. We always had some great conversations. My daughter had to write a paper for school in which she had to interview someone from another country. Patrick was right there to help out and answered all her questions with a smile. Rest in peace my old friend!
