“ We spoke in January for the last time. I expressed to Uncle Trumonda his significance to me. These were the two prophetic statements he told me when I was 17 years old:

1. You will span the globe and you will see and do alot of things. TRUE
2. You will have to navigate a world that will make you weary but you have to stay strong and that will be difficult. TRUE

**The good times will always outweigh the bad. Love you, Unc from Melvin Jr. & Tammy Fields*
