“ *Such sad news, but I know Pearl was ready to take her place in Heaven. She was such a charming and pleasant person to be around. I'll always have fond memories from time we spent at water aerobics. You are truly missed Pearl. My condolences and prayers to the family.*

“ *My heart is saddened to learn of Pearl's departure from our presence. She was a dear, sweet lady that I knew through water aerobics. It was always a pleasure to see her smile and to visit with her in the water, and at our potluck lunches. She always had a gentle disposition, was ready to help, and quick to encourage. My condolences to all the family and friends who mourn her passing.*

“ Pearl was more than a wonderful sister-in-law for over 54 years. She was like a sister to me. She was lovely and caring. We had many many talks over the years, that I will always treasure. To the family I know that you do have a lot of wonderful memories, including the annual Thanksgiving dinners that were so elegantly done and probably the most memorable was several years ago when there were more than 50 at her home and you can look at that picture with her in the middle of that big group and see how happy everyone was just being there with her. My prayer is that God will be with each of us as we go through this difficult time. Love you all.

“ *I will miss my mom dearly...I will miss Calling every day saying “hey mom what you doing” These verses ring so true of our mother.
Proverbs 31:25: "She is clothed with strength and dignity; she can laugh at the days to come."*

Proverbs 31:26: "She opens her mouth with wisdom, and the teaching of kindness is on her tongue."

Proverbs 31:31: "Honor her for all that her hands have done, and let her works bring her praise at the city gate."
