“ My condolences and prayers to the family. I absolutely loved Phillip Jones. I learned about his passing too late to say goodbye but I just wanted to say that He was a good friend to me and helped me in my business (All Pro Cleaners) when I needed it most! I will never forget the kindness he showed me.  
Wonderful man!! Some of the jazz music that's played at the cleaners was put together by Phil. He will be missed! Much love,  
Meshanda

“ My heartfelt condolences and prayers go out to the 'Jones Family'. May our heavenly Father continue blessing each and everyone of you. It has been many, many years since I last saw Phil, and back in the day (1970's), he was well known at KBYE Radio Station here in (OKC) as 'Little Black Jet Away'. Along with the radio cast such as the great disc jockey (Big Ben Tipton, Jimmy Miller, Johnny Jordan (aka J J), Brown Sugar and more, He will always be remembered during this 'great era' of our life.
