“ Prins was my supervisor most of my 25 years at DHS. She guided me in sound decision making always setting a good example of the way to treat the workers in my unit and how to interact and treat the public we served. I knew I could count on her for support. After retirement we became good friends and would have lunch on occasion. I admired Prins for her love and devotion to NaRita and Sean. I admired her involvement on the many boards she served, always serving the community. I loved her and will miss our talks of family, politics and our activities. I ask God for His Blessings on the entire Anderson family.

“ Ms. Prins Ella Anderson was a light in this world that shined brightly and quietly going about during good in her church and community, She has crossed over to receive her reward - A Crown of Glory. I knew Prins Ella most of my life. I watched from a distant her raise Narita to be a wonderful Christain woman like herself. Then aong came Sean, her grandson, who she loved and assisted hi upbringing and beoming his best friend. She worked very hard on so many projects but she never sought accolades and went about quietly and humbly doing good. Thanks Narita, Sean and the entire Anderson Family for life well lived. May God give you comfort and peace in this time of grief.

“ What a positive difference One Light has made in this world. A "jewel of a person" whenever I was in her presence. God seems to be taking His best, & now what are we to do? Continue living in faith & praising Him all of our days, like Aunt Prins had always done. She stood in the back to push others forward. Her price is far greater than diamonds & rubies. I offer my sincere prayers & condolences to this beautiful family.

“ *So much can be said about Prins! A lady of all ladies ! She worked untiringly, she was faithful , friendly, kind and was a perfectionist . She loved what she did! She loved people! We worked together in the School reunion for over 20 years and she was the person who kept the committee going. She made sure we had a place to meet and would be there to open the doors. She was president several terms and currently served as secretary. The mold was broken; never another! I was proud to be connected with the family and to work with her. Prayers for her beautiful daughter NaRita and talented grandson Sean! Donetta Starks*
