“ Me & Little Wayne were there till you took your last breath. I enjoyed laughing & talking with you. Your great grandchildren loved you dearly. I enjoyed caring for you & helping you when I was your PCA. I remember combing your hair & putting it in 2 ponytails with all your black hair ties all the way to the end. You will be truly missed but never forgotten, We love you always. LaTasha & great grandchildren

“ My condolences and prayers to the family of Sis. Rammie Roberts-Wallace. As a member of Greater Cleaves CME Church she voluntarily and unselfishly served as our church nurse. She provided medical care and comfort to persons as needed. She was very instrumental in acquiring much of the medical equipment and supplies that we have in our nurses aide room today. The majority of which she paid for herself and donated it to the church. We are grateful for her service to the kingdom of God and pray that the Lord will provide comfort and strength to her family during this time of bereavement.

“ Mommy,  
Wow! The sting of sin (death) hurts. These tears that flow, are not because I have no hope. I know I will see you again. John 3:16 This is a reminder, we are not here forever. Your imprint you left behind, is forever. I am who I am because of you. Thank you for your unconditional love, strength of "Never give up!" "Each one, teach one" In the words of Mother Teresa....

*"People are often unreasonable, irrational, and self-centered. Forgive them anyway.*

*If you are kind, people may accuse you of selfish, ulterior motives. Be kind anyway.*

*If you are successful, you will win some unfaithful friends and some genuine enemies. Succeed anyway.*

*If you are honest and sincere people may deceive you. Be honest and sincere anyway.*

*What you spend years creating, others could destroy overnight. Create anyway.*

*If you find serenity and happiness, some may be jealous. Be happy anyway.*

*The good you do today, will often be forgotten. Do good anyway.*

*Give the best you have, and it will never be enough. Give your best anyway.*

*In the final analysis, it is between you and God. It was never between you and them anyway."*

*I love you so much! My "Rock"*

“*Momma, you will be greatly missed by your family and friends. You fall in the category of being a great influence in my life. We were right there by your side, and as little Wayne said, "GO AND CLAIM YOUR WINGS".....I will miss your gorgeous, beautiful smile but will remember the days of bonding with you. Our haydays were a hoot and I wouldn't change that for the world!! I love you my beautiful mother and I will meet you in heaven. Loving you always, your second born, Vicky Gene*
