“ *The last two years with you gone, was initially unbearable and unthinkable it has taught me to stop and cherish the now. It's still hard for me to process that you're no longer here particularly on the eve of your 2nd year gone. I can say that I'm now finding peace and reclaiming my joy plus taking solace in the fact that I'll see you and Wayne again soon. The stories they tell now about you give a certain reverence to your existence, your deeds, the moments and events. We always remember kindly! It's tough letting go! Love you bro!*
