“ Susan and family I am so sorry about this difficult and monumental time in each of your lives. I have many fond memories of growing up in Purcell and my Mom and Mrs. Smith getting ready for the holidays. Mrs. Smith loved her grandsons dearly. You are all in my prayers. Due to a medical issue I am not going to be able to attend the service. Please know that even though we're not in the same proximity we are all on the same page.

“ Vicki -

My heart aches for the loss you have endured. Raymond loved you dearly and deeply. I am happy that the two of you found one another when you did. Raymond was a good man and I am a better person for having known him. May your memories bring you comfort and peace.

You are in our prayers, we remember how welcoming you made us feel during our first visit with you at your home while I was on business in OKC. We felt the love of family you both freely gave; it will always be in our hearts.
